

—SIMPLE STEPS TO— PERFECT CUPCAKES

1. COLLECT:

Gather all the essential ingredients like milk, butter, egg, sugar, wet and dry ingredients.

2. MIX:

Once all the ingredients are gathered, mix them step by step, depending upon the recipe.

3. PREPARE:

Prepare baking cups, baking moulds, scoops, toppings and decorating tools

3. FILL:

Fill the baking cups with batter. Avoid adding excess batter, or the cupcakes will overflow.

4. BAKE:

Bake as per the recipe instructions. Generally, cupcakes are baked in a 350°F oven for 10 to 25 minutes.

5. FROST:

Cool the cupcakes for 5 minutes in the pan before moving to a wire rack to cool completely. Decorate the cupcakes. Put them in an airtight container and freeze.
